

SL.	Course Name	Course Link
1	Solar & Thermal Energy Systems	https://course-hosting.com/course/solar-thermal-energy-systems/
2	Abrasive Wheels	https://course-hosting.com/course/abrasive-wheels-training/
3	Electrical Maintenance	https://course-hosting.com/course/electrical-maintenance/
4	Electrician - Essential Skills	
5	Certificate In Electrical Wiring	https://course-hosting.com/course/certificate-in-electrical-wiring/
6	Certificate In Electrical Wiring	https://course-hosting.com/course/certificate-in-electrical-wiring/
7	Electrician Training and Safety Management	https://course-hosting.com/course/electrician-training-and-safety-management/
8	Domestic Electrical Wiring Diploma	https://course-hosting.com/course/domestic-electrical-wiring-diploma/
9	Electricity and DC Circuit Analysis	https://course-hosting.com/course/electricity-and-dc-circuit-analysis/
10	Electric Power Metering for Single and Three Phase Systems	https://course-hosting.com/course/electric-power-metering-for-single-and-three-phase-systems/
11	Power Analysis in AC Circuits	https://course-hosting.com/course/power-analysis-in-ac-circuits/
12	Short Circuit Analysis for HV Three Phase Systems	https://course-hosting.com/course/short-circuit-analysis-for-hv-three-phase-systems/
13	Symmetrical Components for Three Phase Power Analysis	https://course-hosting.com/course/symmetrical-components-for-three-phase-power-analysis/
14	PAT Testing - Essential Skills	
15	Electric Circuits for Electrical Engineering and Electronics	https://course-hosting.com/course/electric-circuits-for-electrical-engineering-and-electronics/
16	Electric Circuits for Electrical Engineering	https://course-hosting.com/course/electric-circuits-for-electrical-engineering/
17	Electrical Machines for Electrical Engineering	https://course-hosting.com/course/electrical-machines-for-electrical-engineering/
18	Power Electronics for Electrical Engineering	https://course-hosting.com/course/power-electronics-for-electrical-engineering/
19	Electrical Engineering for Electrical Substations	https://course-hosting.com/course/electrical-engineering-for-electrical-substations/
20	High Voltage Generation for Electrical Engineering	https://course-hosting.com/course/high-voltage-generation-for-electrical-engineering/
21	Ultimate Insulation Resistance IR Test Training	https://course-hosting.com/course/ultimate-insulation-resistance-ir-test-training/
22	Electrical Risk Assessment & Safety Precautions	https://course-hosting.com/course/electrical-risk-assessment-safety-precautions/
23	Practical Household Electricity Course	https://course-hosting.com/course/practical-household-electricity-course/
24	Electrical Supervisor	https://course-hosting.com/course/electrical-supervisor/
25	PAT – Portable Appliance Testing Training Course	https://course-hosting.com/course/pat-portable-appliance-testing-training-course/
